

Experience fabulous sights, sounds and savings

Toshiba LCD HDTVs blend quality, innovation and affordability to deliver truly memorable entertainment.

Think you need to break your budget to enjoy blockbuster HD entertainment? Not with Toshiba's 65" class LCDs HDTV. Featuring an all-new design, these big-screen televisions look great and are perfect in any living room, family room or home theater. Watch your favorite movies and programming in 1080p full HD. Savor fast-action sports or edge-of-your-seat gaming clearly thanks to our exclusive CineSpeed® Panel and ClearFrame™ 120 Hz technology. Show your latest vacation videos and pics with a high-res PC connection. And do it all with the assurance of famous Toshiba quality and reliability. Want more memorable entertainment for your money? Our HT2U LCD HDTV series deliver.

Key Features:

1080p Resolution

See colors and details like you never have before! Enjoy the highest level of HD picture quality with 1080p Full HD.

ClearFrame™ 120Hz

Action packed content has never looked better! Using advanced computer processing, ClearFrame™ 120Hz improves picture clarity and reduces motion blur.

Hi-Res PC Input

Enjoy high definition images when you connect your PC to your TV.

3 HDMI®-CEC

Easily connect to high-definition video, and amazingly immersive surround sound in one cable.

DynaLight™

Gives the TV picture a more balanced, true-to-life appearance with deeper blacks for increased detail and incredible depth.

Toshiba 65HT2U

1. While every effort has been made at the time of publication to ensure the accuracy of the information provided herein, product specifications, configurations, system/component/options availability are all subject to change without notice. Preliminary Version 10/04/11

2. HDMI®-CEC Use of HDMI®-CEC requires an HDMI®-CEC compatible display/peripheral device. Depending on the specifications of your device, some or all HDMI®-CEC functions may not work even if your display/peripheral device is HDMI®-CEC compatible.

3. VESA® Mounting Pattern If you decide to wall mount your Toshiba television, always use a UL Listed wall bracket appropriate for the size and weight of the television. Care should be taken to place or install the display where it cannot be pushed, pulled over, or knocked down.
